

2024 Membership Drive

SESCA.ORG

Our membership drive for the Shoreview-Einhausen Sister City Association is underway!

Please join in making SESCO a success; we appreciate your support. Your contributions and participation help better international understanding and peace. As an all-volunteer organization, our mission is to promote friendship and international goodwill by creating opportunities for all citizens of the greater Shoreview area to experience the German culture.

SESCA is a tax-exempt association and a modest member dues fee from people like you is especially important in maintaining our tax-exempt status. SESCO has been busy in 2023 continuing to promote friendship and international goodwill with German culture experiences.

Recent and future activities include:

- Gatherings at German establishments around the metro area such as Waldmann and Yoerg Breweries
- Newsletters containing interviews of Einhausen and local personalities
- SESCO members hosting visiting Einhausen residents this past summer
- Scholarship awards for local students to advance their studies of the German language
- 20th anniversary celebration in 2023 with a private event at Yoerg Brewing

2024 Membership Levels:

Family: \$35 | Individual: \$25 | Young Adult: \$15
